

Corporate Team Building Activities Indoor & Outdoor in Dubai

IGNITE teambuilding is a totally mobile end-to-end solution that is committed to getting your employees moving and smiling. We believe that 'team bonding' is integral to building a strong, effective and happy team. We have been in operation in Dubai since 2010 and worked with a huge range of companies from small groups right through to large groups of 500 people or more.

IGNITE teambuilding events incorporate a wide range of indoor and outdoor activities, from sports tournaments and mind games to tests of strength and agility.

Office Power Breaks – Energizer

Whether you have lots of space or limited time and only your desks, we bring the energy to you

We bring the energy to you. From challenges, games and activities to Yoga that can be done at your desk, we have the solution to energise your office and get your employees moving (and smiling). Who will take out the title and be your office's Ultimate Ninja Warrior? This can be combined with an additional indoor activity of your choice.

IGNITE Indoors

The perfect teambuilding event for the warmer months; bring your team to one of our partner venues, or we can come to you. We will design a bespoke event to get you moving, thinking, and working together in a relaxed and air-conditioned environment all in the name of fun.

Wellness Roadshow

We bring wellness to your workplace and offer employees the opportunity to connect with health & fitness providers over a healthy breakfast. Step out of your comfort zone and learn about yourself and your team while tree surfing and climbing your way through this unique and dynamic environment nestled in Mushrif Park. This obstacle course is a fun way to bond with colleagues while swinging, climbing and navigating your way from start to finish.
